

RE: 2010 Randolph County Farm Bureau Foundation Scholarship Application.

We hope your school year has gone well. We know that you are very busy and we want to make applying for the 2010 Randolph County Farm Bureau Foundation Scholarships as easy as possible.

Last year, you applied for one of our scholarships and, if you have not graduated, you are eligible to apply again. Instead of the filling out a new application, we ask that you provide any additional information from the past year on the attached form along with a **current copy of your college transcript**. Please return them to us before January 29, 2010.

Thanks for your interest in Agriculture and Ag Related Fields and our scholarship programs. If you have questions, do not hesitate to call the Farm Bureau Office at 618-443-4511.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Stallman". The signature is fluid and cursive, with a long horizontal line extending from the end.

Steve Stallman, President  
Randolph County Farm Bureau Foundation
